

Conceptual Diagram (these diagrams are out of date now)

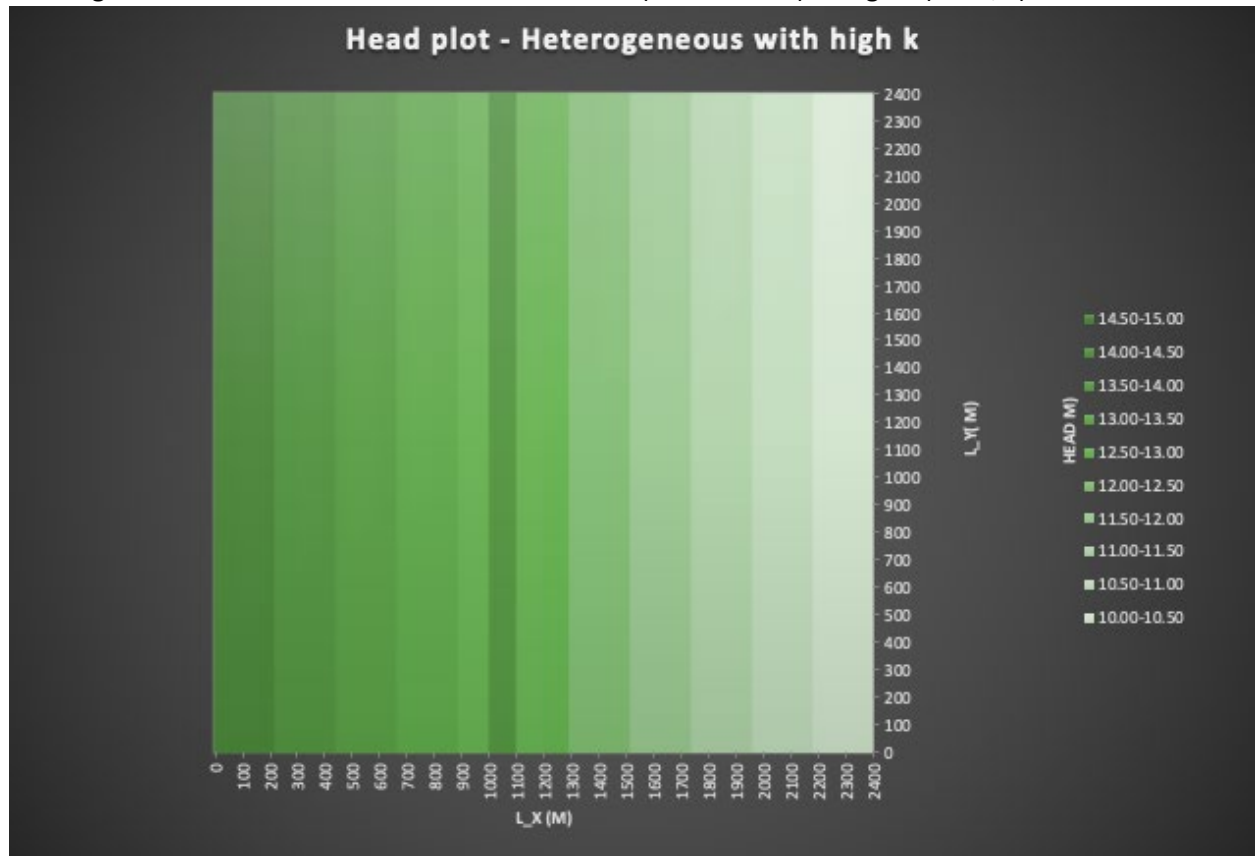

- This conceptual diagram shows a 25x25 gridded box with two constant head boundaries on the left and right sides.

1. Homogenous 25x25 soil column with a  $K = 1 \text{ m/d}$

2. Heterogeneous 25x25 soil column with two columns (at 11 and 12) of high K (10 m/d)

3. Heterogeneous 25x25 soil column with a low K (0.1 m/d) box (5x5) in the center (columns 10-15 rows 10-15)
